The screenshot shows a web form with the title "Loading an application". It contains two main sections. The first section is titled "Where is the application located?" and has a text input field containing "http://www.somewhere.com". The second section is titled "With which button will the application be associated?" and contains four radio button options: "Button 1", "Button 2", "Button 3", and "Button 4". The "Button 1" radio button is selected. At the bottom of the form are two buttons labeled "ok" and "cancel".
